ESPA Facials

Every facial begins with a detailed skin analysis and includes specific double cleansing techniques, gentle exfoliation, an acupuncture facial massage and a deep cleansing and intensive face mask. Whilst the mask is taking effect, experience a relaxing and therapeutic Oriental head massage with Pink Hair and Scalp Mud, then enjoy specific moisturising and skin protection to suit your needs.

NEWAs part of your initial consultation we perform an analysis of your skin using the ESPA Skin Vision Lamp. This UV light highlights skin conditions that may not otherwise be closely seen.
